

**Principal
Julie Ann
Robinson**

** Catholic East **

**Where
Every Student
Shines!**

It has been my pleasure to serve as principal at Catholic East Elementary since 2006.

I have more than 20 years of teaching experience and have served as a principal at Catholic schools since 2001. I received my Bachelor of Science in Elementary Education from UW-Milwaukee and my Master of Arts in Administrative Leadership from Marian College in Fond du Lac.

My wonderful husband, Ron, and I have two grown children, Wes and Jillian. I enjoy walking with my pet beagle, "Prince," at dog parks and nature trails around town. I also enjoy visiting my children: Jillian plays volleyball at Northeastern University in Boston, and Wesley is engaged and attends law school in Pennsylvania.

What I love most about Catholic East Elementary is the closeness of the families and the fact that Catholic East Elementary is small and feels like a family. I am proud of our solid academic program, which meets the needs of all our students, and the compassion and care the staff has for the students and one another.
